5. **DESCRIPTION OF PROJECT:**

Tell us what you want to do. Describe all proposed work including materials, design, and dimensions. Additional pages may be attached.

Work will repair the portion of our front porch that was damaged when a car jumped the curb and ran into it. The porch will be restored to be just like it was before, visually and with the same materials.

The porch will be jacked up and 6 temporary supports will be installed. Old concrete blocks underneath the porch that were damaged by the car crash will be removed. New concrete footings will be poured at three post locations. Install 6x6 posts at each of the three locations. The wooden lattice work, and wooden trim covering the underside of our porch. Install four "deck tension tie" hardware (DTT 1Z) to attach porch to front of house. Replace damaged skirt board and porch apron to match the existing part of the porch.
