Do you guys want to go over just a couple sentences in the Plan? If so, call me at 847-302-6113.

Being honest, this is the best RAD (and maybe other) relocation plan I have had the pleasure of reviewing. This is a really good plan, clear, informative, services being provided/offered are outstanding.

I would like to send this up as a model of what a plan should look like to HQ, if given permission.

Are you planning on attaching (somewhere) the tenant universe (excel chart maybe) with tenant info family size, income, other?
