BUSINESS IMPROVEMENT DISTRICT #11 BRADY STREET BUSINESS AREA 2017 OPERATING PLAN

BUSINESS IMPROVEMENT DISTRICT #11 BRADY STREET BUSINESS AREA OPERATING PLAN

I. INTRODUCTION

In 1984, the Wisconsin legislature created s. 66.608 of the Statutes enabling cities to establish Business Improvement Districts (BIDS) upon the petition of at least one property owner within the proposed district. The purpose of the law is "....to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities." Upon petition from property owners within the Brady Street Business District, the Common Council of the City of Milwaukee, on September 28, 1993, by Resolution File Number 930854, created BID No. 11 (Brady Street Business Area) and adopted its initial operating plan.

Section 66.608(3) (b), Wisconsin Statutes requires that a BID board "shall annually consider and make changes to the operating plan.....the board shall then submit the operating plan to the local legislative body for approval." The Board of BID No.11 (Brady Street Business Area) submits this operating plan in fulfillment of statutory requirement.

This plan proposes a continuation and expansion of the activities described in the initial (JULY 1993) BID operating plan. Therefore, it incorporates by reference the earlier plan as adopted by the Common Council. In the interest of brevity, this plan emphasizes the elements which are required by section 66.608, Wis. Stats., the proposed changes for 2017, and does not repeat the background information which is contained in the earlier plan.

II. DISTRICT BOUNDARIES

Boundaries of the district are shown on the map in Appendix A of this plan. A listing of the properties in the district is provided in Appendix B.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

1. The Business Improvement District has been used to finance Brady Street property owners' share of "streetscape" improvements in the public sidewalk area.

The objectives of this streetscape project were as follows:

- a. To protect and reinforce the street's historic character
- b. To act as a catalyst for private investment
- c. To improve the overall appearance and image of the street, including a public art project which was done to enhance and encourage pedestrian traffic.
- d. To enhance safety and security by increasing the amount of street lighting.
- 2. To organize the commercial interests on the street in order to facilitate joint economic development.
- 3. Work with area organizations, schools and churches to solidify, enhance and strengthen the residential base of the neighborhood.
- 4. Work on creating and enhancing infrastructure to augment commercial connections to neighborhoods by facilitating and encouraging non-automotive modes of transportation.

B. Proposed Activities

Principal activities to be undertaken by the district will include:

- 1. Continue to monitor, maintain and repair the streetscape.
- 2. Monitor the installation and implementation of streetscape improvements, and continue to plan for gateways to the district.
- 3. Review and update strategic plan for expanding retail opportunities West of Humboldt Avenue
- 4. Continue to market and promote the area through joint advertising, installation of banners, kiosk signage, sponsorship of events and seasonal decorations.

- 5. Develop and communicate a comprehensive plan that efficiently integrates multiple transportation options, reducing the need for additional parking.
- 6. To own, operate and develop real estate by itself or in collaboration with a public or private entity, determined by majority vote of the Board that can or will be used to further any of its Plan Objectives as stated above.

D. Financing Methods:

It is proposed that the City of Milwaukee and the district jointly and cooperatively fund the streetscaping. The district's share of the cost of the streetscaping and the operating expenses of the district will be funded by special assessment on the properties within the district.

The district will enter into a development agreement with the City of Milwaukee. The agreement will include the issuing of municipal bonds for the district's portion of the cost. The district shall pay each year for the term of the bonds, the amount necessary for principal, interest and other expenses on its portion of the cost.

The development agreement will constitute a long term commitment and the district will not be terminated until all repayments to the City have been made and

adequate provision is made for the operation and management of the improvements financed through the district. The development agreement will be in addition to this operating plan. Adoption of the development agreement by both the City of Milwaukee and the BID Board will be necessary.

Allocation of the district's annual expenses will be based on each individual property's assessed valuation as a percentage of the district's total assessed valuation. It is proposed to raise \$140,000 in 2017 through BID assessments. (see Appendix B). The BID Board will have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

E. Bid Board

The Board's primary responsibility will be implementation of this Operating Plan. This will require the Board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan and to ensure district compliance with the provisions of applicable statutes and regulations.

The Bid Board is structured and operates as follows:

- 1. Board size Eleven
- 2. Composition At least seven members shall be owners or occupants of property within the District. Any non-owner or non-occupant appointed to the Board shall be a resident of the City of Milwaukee. The Board shall elect its Chairperson from among its members.
- 3. Term Appointments to the Board shall be for a period of three years.
- 4. Current Board: Alaa Musa Chair

Julilly Kohler - Vice-Chair
Pat Suminski — Secretary / Treasurer
Mari Cucnato - Director
Josephine Fazio — Director
Pamela Glorioso - Director
Salvatore (Ted) Glorioso — Director
Michael Lee — Director
Leslie Montemuro - Director
Teresa Morton - Director
Teri Regano - Director

- 5. Compensation None
- 6. Meetings All meetings of the Board shall be governed by the Wisconsin Open Meetings Law.
- 7. Record Keeping Files and records of the Board's affairs shall be kept pursuant to public records requirements.
- 8. Staffing The Board may employ staff and/or contract for staffing services pursuant to this plan and subsequent modifications thereof.
- 9. Meetings The Board shall meet regularly, at least twice a year. The Board has adopted rules of order (by-laws) to govern the conduct of its meetings.

IV. METHODS OF ASSESSMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, an assessment on the assessed value of the property was selected as the basic assessment methodology for this BID.

As of January 1, 2016, the property in the district has a total assessed value of approximately \$63,523 million (approximately \$18,263 million considered exempt from special assessment). An assessment of approximately .0031% on the assessed value of remaining properties was applied Appendix B shows the projected BID assessment for each property in the district.

B. Excluded and Exempt Property

The BID law requires explicit consideration of certain classes of property. In compliance with the law the following statements are provided.

- 1. State Statute 66.608(1)(f)lm: The district will contain property used exclusively for manufacturing purposes, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.
- 2. State Statute 66.608(5)(a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix B, as revised each year.
- 3. In accordance with the interpretation of the City Attorney regarding State Statute 66.608(1)(b), property exempt from general real estate taxes have been excluded from the district. Privately owned tax exempt property which is expected to benefit from district activities may be asked to make a financial contribution on a voluntary basis.

V. RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. Area Planning and Zoning

No changes in District planning or zoning have occurred since adoption of the initial operating plan in 1993.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the District promote its development. To this end, the City has played a significant role in the creation of the Business Improvement District and in the implementation of the Operating Plan. In particular, the City will:

- 1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
- 2. Monitor and, when appropriate, apply for outside funds which could be used in support of the district.

- 3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
- 4. Receive annual audits as required per sec. 66.608(3)(c) of the BID law.
- 5. Provide the Board, through the Tax Commissioner's Office on or before June 1st of each Plan year, with the official City records on the assessed value of each tax key number with the district, as of January 1st each Plan year, for purposes of calculating the BID assessments.
- 6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this Operating Plan.

Section 66.608(3)(a) of the BID law requires the Board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon activities, and information on specific assessed values, budget amounts and assessment amounts are based on anticipated conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law. NOTE: Amended Improvements List approved by the Common Council March 12, 2001 – See Appendix D.

In later years, the Bid Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and, Expansion

This BID has been created under authority of section 66.608 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional, its decision will not invalidate or terminate the BID and this BID Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID so as to exclude or include as assessable properties of a certain class or classes of properties, then this BID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.608(3)(b).

BID 11 ACTIVITY REPORT FOR 2015

Brady Street Business Improvement District #11 1224LR E. Brady Street Milwaukee, WI 53202

TO: Kenneth Little, DCD

FROM: Pat Suminski, Secretary/Treasurer BID #11

RE: BID Activity January – December 2015

The Brady Street Business Improvement District (BID #11) accomplished or participated in a number of projects/activities in 2015. Briefly, we:

- > Improved / expanded events including:
 - Spring Spring on Brady / Art Walk Grew our Spring Event to bring nearly 40 live local artists to the street, along with an art market, successfully bringing thousands of new and returning visitors to our street.
 - O Summer Brady Street Festival / Cheesefest We continue to improve this event, including family friendly activities during the day and varied musical and non-musical entertainment the length of Brady Street from Cambridge Avenue to Van Buren St. (Attendance is 40,000+). Proceeds from the success of this event have been used to help Cass Street school start up their after-school sports programs. We were also able to support other local events such as the Wisconsin Conservatory's Festival of Trees and Music, Empty Bowls, and Children's Outing Association.
 - O Held our first Brady Back Nine Mini-Golf challenge in August. Participating businesses created mini-golf holes out of materials of their choosing. Businesses recruited foursomes- those teams took to the streets to compete for the best score. Proceeds benefited the Children's Outing Association to send kids to Summer camps.
 - Continued to grow a newer series of events called Sunday Fundays in an effort to drive daytime family-friendly traffic. The events are held every third Sunday through the Summer months and feature an art market, music, brunch and shopping deals. One of our local businesses also organized an Urban Flea Market at the empty lot on Marshall and Brady Street in conjunction with the event.
 - o Fall Fall on Brady / Pet Parade Blessing We continue to expand this neighborhood-focused daytime event. Two blocks of Brady Street

- are closed for vendors and entertainment, plus the featured pet parade and pet blessing. Registrations for the event benefit Milwaukee Humane Society and Brady Area Foundation for Arts & Education.
- Held our second Halloween on Brady costume contest. Thousands of people showed up on the street in their costumes for a chance to win great prize money. The winning entry drove from Germantown.
- O Held our first Holiday Open House on a Friday evening in December to try and kick start the retail shopping season. Retail has struggled and we are doing everything we can to support the retailers that remain!
- ➤ Continued to address "green" maintenance issues by working with an independent contractor to weed, fertilize and clean tree grates and planters, keep sewer grates clear to allow efficient drainage, and main crosswalks clear of snow in commercial areas.
- > In an effort to alleviate parking issues and provide alternative transportation options, sponsored first BUBLR Bike stations in a neighborhood in April, a second soon followed in November.

- Maintain memberships with VISIT Milwaukee / International Downtown Association/MABAL/and the BID council to benefit Brady St. Merchants through co-op marketing opportunities, networking, and best-practices
- ➤ We continue to investigate opportunities with Brady Street Website / Social media presence, leveraging cooperative marketing efforts. We produce and distribute 15,000 pocket guides each year, have a strong presence on Facebook (4,500+ followers) and Twitter (12,000+ followers.), and 1,500 subscribers to Buzz on Brady Newsletter. We are able to save costs on advertising for our events by utilizing our social media presence.
- ➤ Initiated discussions with MMSD about possibly acquiring decommissioned lift station pump house building that MMSD has deemed "surplus" property. Started brainstorming ways that we could utilize that space and land in a more inviting and effective way.
- Supported the Brady Street Area Association in their efforts to install the first community gardens in the area along with NIDC and Milwaukee Urban Gardens. There are currently 12 4'x8' raised beds in use there.
