Mr. Mark Rohlfing
Fire Chief
City of Milwaukee
711 W. Wells Street
Milwaukee, WI 53233

Common Council File Number 160952

Hello Chief Rohlfing,

Hope things are well for you and your family. This letter is to confirm our intent to sell our ambulance business after 50+ years of service to the fine ownership of Paratech Ambulance.

We do understand that we will need the City of Milwaukee Common Council approval for our sale and efforts have been initiated to inform the city of our intentions. It is our desire to have this issue discussed at the Public Safety Committee at its November 10th meeting and then at the full council meeting on November 22nd. We wish for our transition to properly close no later than November 30th.

Both buyer and seller are doing everything we can to make this transition as seamless as possible. We find it very important to stay on track with the above dates and meetings so our co-workers are aware of what is happening and keep ambulances serving the City of Milwaukee with no interruption in service. Please let us know if the Fire Department has any questions or wishes to discuss the transition because we will cooperate with the city in any manner to assist with this process.

Our family owned business has appreciated the many years of service and the many good people we have had the privilege to work with. We are confident and comfortable our business is being passed to good hands.

Sincerely,

Yvonne Larsen, Owner
