

SIMPLE AMENDMENT

SUBSTITUTE AMENDMENT

PROCEDURAL MOTION

MOTION BY ALD. RAINEY

TO FILE NO. 160872 VERSION: 1

TITLE: An ordinance relating to window screens in rental dwelling units.

ITEM NO. 65 COMMITTEE: Zoning, Neighborhoods and Development

TEXT OF MOTION

I move to substitute Proposed Substitute A in lieu of the Original version of File Number 160872.

I further move for passage of the ordinance as substituted.

ANALYSIS OF AMENDMENT

The Original provides that screens shall not be required for windows above the 5th floor. Proposed Substitute A eliminates this exception, thereby requiring screens on all openable windows in rental dwelling units.
