**RE: MOU with City of West Allis Housing Authority**

Dear Mr. Perez :

I am writing in regards to the proposed Memorandum of Understanding (MOU) between the City of Milwaukee Housing Authority and the City of West Allis Housing Authority relating to the administration of HUD-VASH vouchers.

Whereas HUD cannot opine as to the content of the agreement, the premise of the MOU models practices supported by HUD to promote efficiencies in the management of VASH vouchers. This MOU provides for a collaboration between the programs that will enhance the success of the VASH program. I hope that you will take this under consideration in adopting the proposed MOU.

Sincerely,
