Dear Members of the Judiciary and Legislative Committee:

Milwaukee Public Schools supports the MPS and City of Milwaukee Education Initiative Resolution. This collaboration with the City of Milwaukee will provide intervention support services for our students. We look to this partnership to be a model that can be replicated and applied across Milwaukee Public Schools.

This is another example of how the City of Milwaukee and Milwaukee Public Schools are working together to improve the outcomes for young people in Milwaukee.

Best,

Darienne B. Driver, Ed.D.
Superintendent of Schools

Cc: City of Milwaukee Mayor Tom Barrett
