Honorable Milele A. Coggs
Alderwoman, 6th Aldermanic District
Room 205, City Hall

SUBJECT: 6th ALD. DIST. - FILE #161280
INSTALL STOP SIGN ON NORTH 10th LANE
AT WEST CHAMBERS STREET

Dear Alderwoman Coggs:

This is in response to a request we received from your office on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of a building that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

SUBJECT: 15th ALD. DIST. - FILE #161280
INSTALL STOP SIGN ON WEST CLARKE STREET
AT NORTH 44th STREET

Dear Alderman Stamper:

This is in response to a request we received from your office on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of a bush that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
