Hi Chris:

I just wanted to forward this invitation to you for the BAC. I wanted to include this in announcements. I don't remember the protocol for this, that's why I am forwarding it to you. I will have a copy of it during our meeting as well.

Thanks much,

~ Jayme

Hi all,

Please accept this initial contact as my invitation to members of the America's Black Holocaust Museum staff, the Bronzeville Advisory Committee and the Historic King Drive BID No. 8 to visit the Terry McCormick Contemporary Fine and Folk Art Gallery to view this sculpture in person. George Ray McCormick, Sr. produced the Welded metal Sankofa Bird to honor the creative spirit of Black African master metal workers and designers. Their creativity passed down as Black America's ancestral legacy, ultimately serves the world.

Peace,
