I am submitting this application because I was asked to by my Alderman and the HPC office. I am not seeking a COA to change the appearance of my home at all. Our home has vinyl replacement windows present on the 2nd and 3rd stories which have been present since sometime prior to 2006. We purchased the home in 2009. The HPC office has photos from 2009 documenting the presence of these windows at the time we purchased the home. No one is certain of when these windows were placed. The owner immediately prior to ourselves purchased the home in 2006 and the windows were present at that time. It would appear the windows were placed by Mr. William Walsh who owned the home for a long period of time prior to 2006 and passed away in 2015. A complaint was recently filed about their presence so I was asked to submit this application.
