Subject: Gettelman Brewery Buildings
To: Murphy, Michael (Alderman) <mmurph@milwaukee.gov>

Dear Alderman Murphy:

I would like to voice my support for finding a preservation solution to save the Gettelman brewery buildings that are being considered for destruction.

The buildings that survive to reflect Milwaukee's history need protection and care to help celebrate and showcase our heritage. These particular brewery buildings, although long neglected, could be incorporated into MillerCoors brewery tours or converted into a brewery museum.

Milwaukee has lost so many architectural treasures due to disregard for the need to preserve and appreciate what have been the cornerstones and foundation of our city.

I often drive through Milwaukee with my niece and nephew, pointing out historic landmarks and find that, more and more, I talk about structures that no longer exist.

If it will be useful, please share my input at the Historic Preservation Commission meeting tomorrow at 3 p.m.
Your support in the matter is encouraged and appreciated.

Thank you.

Sincerely,
Diane Baughn
