Dear Mr. Perez:

Tonight, as we put the May board book to bed, I'm reminded of your generosity. Thank you for taking the time to talk with me about the potential impact of the proposed federal budget. Your perspective really helped shape mine, and your credible on-the-ground intelligence will go a long way with the Zilber Family Foundation board. I'm glad we are colleagues, deeply grateful for your assistance, and eager to share your suggestions with our leadership.

With great appreciation,
