

Certificate of Appropriateness

Milwaukee Historic Preservation Commission/200 E. Wells Street/Milwaukee, WI 53202/phone 414-286-5712/fax 414-286-3004

Property 133 W. PITTSBURGH AV. Sound 2nd Street Historic District
Description of work Install three sets of awning signs on the north elevation and previously approved awnings per attached drawings. Install two projecting box blade signs of 18' height. Install one wall sign on south elevation of 8'x6' with plain border. Awning and wall signs will have gooseneck lamp illumination. All work to be done per attached drawings.
Date issued 7/25/2017 PTS ID 114316 COA: signage

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

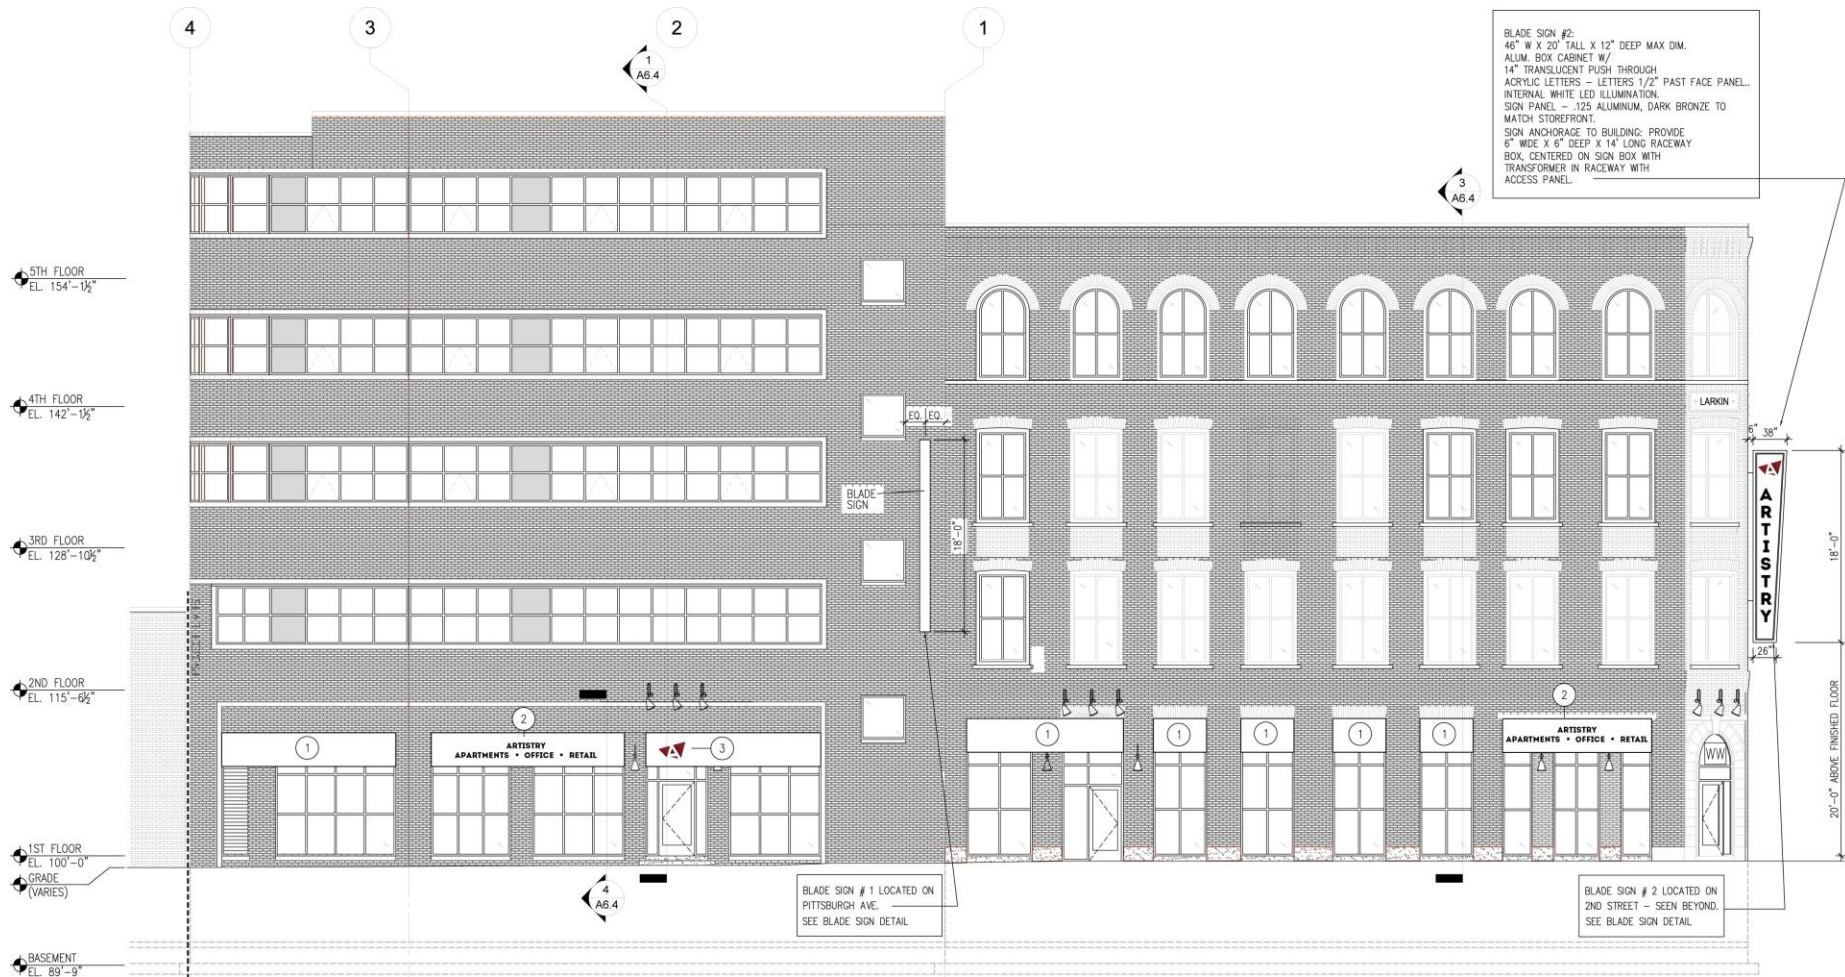

All work to be done per attached drawings. Any of the signs may be eliminated or reduced in size, if necessary to meet sign code, without further review by Historic Preservation.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Tim Askin of the Historic Preservation staff as follows: Phone: (414) 286-5712 E-mail: HPC@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/build, or call (414) 286-8210.
