Dear Willie Hines,

:

We at Beckum Stapleton Little League, we would like to express our gratitude for your support of the League for the 2017 season. Beckum Stapleton Little League (BSLL) is celebrating our 53rd year providing quality youth baseball in the City of Milwaukee. Because of you almost 300 inner city youth will be able to participate and play baseball in this season. We cannot thank you enough for your contribution.

For the past 53 years, BSLL can attest to mentoring roughly 25,000 kids. Among them are local political figures as well as NBA players. It is our goal to continue to positively impact kids through their participation in little league, coming from communities where imprisonment or crime victims are the sad reality of most residents. Your support will go a long way in helping develop the youth in our league. Not only will they have an opportunity to grow and develop their baseball skills, they will also learn valuable leadership and teamwork skills to assist them in the future.

Thank you to the Friends of Housing Authority, City of Milwaukee and the Housing Authority, City of Milwaukee for your support of our program and our neighborhood.

BSLL volunteers help maximize the effect of every dollar to mentor our youth. Enclosed, please find a receipt for your generous contribution. Again the volunteers, parents, youth and community of BSLL thank you for your support. We look forward to your continued support, assistance and good will.

Thank You!!
