RE: 1550 North Prospect Avenue

Dear Chairman Bohl,

This letter is intended to convey our support for the proposed project located at 1550 W. Prospect Avenue.

As our city has seen a recent surge of real estate development projects of all types, we believe that this project will further add to the vibrancy, allure, and growth of our great metropolis.

The hopes are that developments such as this one, in combination with all of the other great things that are transpiring in Milwaukee, this project will further serve to attract residents and make our city as desirous as any other to live in.

Sincerely,
