Hello,

I'm unsure if this message will add anything to your September 12th meeting. However, Greg is as fine a person as I've ever known. I know that the dedication of the building in his name would, in a small way, help ease the pain for his family that is associated with his death. It's not a pain that can ever be completely wiped away. The renaming of the building would mean so much to them and anything you can do to make this easier on them I would appreciate to the fullest extent.

Thanks for your time,

Aaron Wagner
