Subject: Keep the green space GREEN

To whom it may concern,

My name is Darragh McNamara and I live at 518 East Linus Street,
Milwaukee, WI, 53207

I want to have my voice heard regarding the green space located in the picture below.

My house is just a couple of blocks away from this area and currently I

use it to fly kites with my kids. We do not need housing in this area of BV. We have some great developments ongoing and they are in the right areas of the city.

We need better facilities for growing families like mine therefore we need an amenity on this land or leave it as it is.

Thank you.

Darragh
