Hello Chris,

Please add this to the file for my Zoning resolution to change this land to Parks.
Thanks,

Good afternoon,

I strongly support the proposal to create a park in the land specified in your letter. With the addition of young families in the neighborhood, dedicating that land to recreational or park uses would be the best and highest use of the property.

I am not able to attend the public meeting. Please let me know how to direct my comments to support this plan.
