Tony:

I support the legislation you introduced to turn the five plus acre of land just south of the dog park that is situated between Logan, Lincoln, Conway and Bay into parkland.

I would like to express my desire that this land stay free of development and this be used as parkland. I do not support additional housing on this location.

Please formally present this letter to the committee to be registered in support of the legislation you proposed.

Sincerely,

Stacy Osten
