Subject: Land of the old armory

Hi Tony, we have enough housing being built in Bay View right now. More would just add to more problems as in parking and congestion. I live on Conway and Williams. At any given time the traffic is getting worse from driving on KK in the morning and evenings hour. These streets were not made to handle the traffic efficiently. It will only get worse with at least 3 new building for dwelling to open soon not to mention parking. With that being said we need green space to be able to enjoy that the old armory would expanded for kids and adults to enjoy. Not everyone wants to be house to house without free space to go to. Many people go to these places to use for many reasons. We all can't go to the parks. We need space in residential areas also. Parking and roads by the area can be at a premium at time especially in winter. Traffic alone on Conway is horrible. I have a stop sign on my corner and so many people speed down this road and just blow past the stop sign. It's only getting worse with all the traffic on KK. from adding more housing and mark my word there will be a horrible accident. It is nice to be in a 2-3 block surrounding from K.K. and Lincoln and still feel like it's a neighborhood. Take that land away for more homes / apartments or business and that all changes. I want a neighborhood that is why I bought my house here and am sure why others have also. Please work to keep this open land. Schools use this land as well as neighbors. This is what makes Bay View unique.
