Hello Mr. Zielinski,  
Unfortunately we will not be available to attend the public meeting on September 6, 2017.

My mother, Emily Morales, Alex Moralez and myself are extremely opposed in building additional housing on the five plus acre lot across from the dog park in Bay View.

We live half a block from this open grassy lot and have personally all enjoyed this area when BV Urban had their festivities there. The community has enjoyed outside activities, playing ball, frisbee, etc. in the summer as well on this open lot.

Also if you build housing on this open grassy lot, street parking and crime will be of great concern to our surrounding community. If there is anything further we can do to work against this housing please notify us my email.

Sincerely,

Christine Moralez
