To Whom It May Concern:

I am vehemently opposed to the Goll Mansion Project. It was defeated twice previously and the reasons it was not a good idea then, remain intact. The proposed building is far too large and tall for the site and will require the existing building to be moved too close to the sidewalk; having it stick out like a sore thumb.

I plead that this decision is not bottom-lined like so many other decisions. Quality of life and aesthetics should outweigh a larger tax base every single time !!!
