Subject: Against Goll Mansion Development
Date: Friday, September 15, 2017 3:30:58 PM

Hello,

I live at 1660 North Prospect Ave. I am against this development at the Goll Mansion location.

This development will cause more traffic problems on Prospect Ave; current congestion includes the following facts:

- 1) Construction from the streetcar project
- 2) The fact that it is a main thorough fare/street and is already busy
- 3) People moving in and out at the beginning and middle of the month
- 4) People trying to find parking

Additionally, downtown has seen a boom in high rise developments. I highly doubt all of these are filled to capacity.

Last I am concerned my cost of living will increase with this additional high rise.

Please vote no to this project.

Thank you,
Scottie Allen
