I would like to voice my concern for Goll Mansion High Rise Project. Here are just a few reasons...

- If you drive up Prospect you can see several buildings that already have for rent signs. Why are more apartments needed?
- Parking is such an issue as it is, having more people parking in the area will make it worse. I am sure that the building of that size will not be able to accommodate sufficient on-site parking for all its residents forcing some of them to park on the streets. And, guests of the building will make it that much worse.
- I am also concerned about how far it is placed out on the bluff and the possible damage it can cause not only to the bluff but other structures around it.

I urge you to reject this proposal.

Regards,

Rebecca Nguyen
