Subject: Concerned Parent - Opposition to 1550 N. Prospect
Date: Monday, September 25, 2017 1:10:31 PM

City of Milwaukee Leaders:

I urge you not to approve the rezoning of [1550 N. Prospect](#). Both of my daughters live on the 1660 block of prospect (one at [1626 N. Prospect #2108](#) and the other at [1653 N. Prospect #410](#)). When my wife and I go to visit we can never find parking. The 1550 proposal will only increase the major parking issues. The proposal also increases the dangers of walking and biking on Prospect - which both of my daughters do - due to traffic volume. The proposal also increases the threats to pedestrian walking due to more cars turning in and out of driveways, double parking of moving vans, delivery trucks, etc. This creates a very dangerous situation for my daughters and all other residents living on the block.

As a concerned parent and long time member of the Milwaukee community, I urge you **not** to approve the rezoning of [1550 N. Prospect](#) Avenue.

Sincerely,
Will Ruch
