Dear Mr. Antonio Perez:

On behalf of the staff, board, and participants of the Milwaukee Community Service Corps (MCSC), we would like to extend our gratitude to the Housing Authority of the City of Milwaukee, Inc. for your sponsorship of \$1,000 for our "Powering Green: Creating the Workforce of Tomorrow" event on September 20th, 2017.

As you know, funds raised at the Powering Green event will help us to provide high-quality vocational training for Milwaukee's at-risk young adults in the green technology and construction industries. Funds will also help us to purchase new equipment for our work in the community such as landscaping and maintenance of public housing, housing rehabilitation, environmental restoration, and water clean-up.

With your support, MCSC will continue changing the lives of disadvantaged young adults in Milwaukee, who, in turn, will continue improving our shared community and the environment.

Your support is deeply appreciated as we work to fulfill our important mission. Once again, thank you for your generous contribution.

Sincerely,

Mike Consiglio
Executive Director
