Mr. Antonio M. Perez
Executive Director
Housing Authority, City of Milwaukee

Milwaukee, WI 53202

Dear Mr. Perez:

In 2017, the Wisconsin Women's Business Initiative Corporation (WWBIC) celebrates 30 years of "Putting Dreams to Work." We are so grateful for your support, and we look forward to continuing our partnership in support of HACM residents for many years! Enclosed, please find the WWBIC *Make Your Money Talk*/IDA quarterly program report for the period July 1, 2017 through September 30, 2017. As you review the report, please keep in mind that no new IDA accounts were opened in May, June, and through most of July.

The HACM *Make Your Money Talk*/IDA program has impacted the local economy in the following ways: 1) injected **\$8.7 million** into the local housing market based on an average home price of \$67,000 (actual average purchase price of homes by WWBIC's IDA clients over the past decade) 2) injected **\$2.6 million** through small business ownership (based on the Wisconsin annual median small business income of \$41,500) 3) has enhanced the potential for earned income through education by an estimated **\$69.7 million** based on an average income premium of \$954,720 (\$2,364,960 in median earnings over a lifetime for a college graduate compared with \$1,410,240 for a high school graduate). Since the program's inception in 2004, HACM program participants have accomplished the following:

- **130** HACM residents purchased their first home.
- **62** HACM residents created or developed a small business.
- **73** HACM residents invested in their post-secondary education.

Thank you again for your continued support of our mission. We continue to build and improve upon a solid foundation and are excited for the work ahead in the fourth quarter of 2017. If you have any questions or if we can provide additional information, please do not hesitate to contact Amber Miller at (414) 395-4545 or via email at amber.miller@wwbic.com.

Sincerely,

Amber Miller
Regional Project Director
