He was present at all meetings in 2017 and every one I have minutes for in 2016.

Thanks!

I know he's been at the last 4 meetings for sure - I can continue looking back at minutes to determine more attendance if you'd like.

I need to get attendance info for Mr. Vitucci's reappt. to BID #20. A minimum of 4 meetings is needed, but more is better. I don't need his entire term, but the last year would be good.
