Dear Antonio:

Thank you for your continued support of NCRC NAHRO. We are happy to have processed your membership renewal and have enclosed a 2017 NCRC window cling to display in your office to show that you support our region.

The NCRC NAHRO Executive Board have prioritized finding innovative ways of being a resource to our members. We hope you have found a chance to visit our website www.ncrcnahro.org where you will be able to update your associates and agency demographics which will provide an opportunity to connect with other members in our region. The NCRC NAHRO website is a great resource featuring news about the association and includes a members-only section with a membership directory, multiple discussion forums, and much more.

We hope you will take the time to review some the benefits of being a NCRC NAHRO member that are listed on the website and invite you to make suggestions for other ways we can be of service to you, your professional development and to your agency. NCRC NAHRO is dedicated to helping you succeed.

Kind Regards,

Cheryl Anne Farmer
