Honorable Tony Zielinski
Alderman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14TH ALD. DIST. - FILE #171464
INSTALL ALL-WAY STOP ON WEST HARRISON AVENUE
AND SOUTH 5TH STREET

REMOVE STOP SIGNS ON WEST HARRISON AVENUE
AT SOUTH 5TH STREET

Dear Alderman Zielinski:

This is in response to a request we received from St. Augustine Preparatory Academy to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the installation of an all-way stop control at the intersection will improve the flow of traffic at the intersection, particularly during the schools arrival and dismissal times when congestion at the intersection is at its worst. Therefore, in an effort to reduce congestion in peak hour periods at the school and increase safety at the intersection, we recommend the installation of the above-captioned traffic control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer
