REDACTED RECORD

Hello Ald. Bauman,

I understand from one of the managers at Jefferson Block that the Pedal Tavern will no longer stop at Camp Bar due to your efforts.

If true, I want to thank you. The Camp Bar has become an attractive nuisance, and its patrons can't seem to leave the bar without shouting, howling or making other types of noise, especially at closing.

Bringing the Pedal Tavern to Camp Bar only makes matters worse.

I hope you'll consider me as one of those who believes Camp Bar needs to be more considerate of its neighbors. It's not unusual for us to hear their music thumping —

Their deck should be closed at 10, not midnight.

Thank you for your attention to this matter, and thank you for all of your efforts to keep the Third Ward and downtown desirable places to live as well as play.

Please feel free to contact me with questions at [redacted] My address is : [redacted]

Thank you again.

This report is written by Police Officer Cullin Weiskopf, assigned to District One, Late Power Shift.

On the evening of Thursday March 30th, 2017 through the morning of Friday, March 31st, 2017 District One personnel performed an underage tavern enforcement initiative, consisting of an MPD Police Aide, a Police Officer, both of which were acting in a plainclothes capacity with a uniformed Police Officer monitoring from a short distance. The Police Aide was under the age of 21. This was verified by their respective Wisconsin driver's license. PA Jada Greer (PS 026047, 08/30/1997) and PO Kourtney Hartl (PS 022557) were in plainclothes, while PO Cullin Weiskopf (PS 017808) was in full uniform.

All plainclothes members of this initiative were advised they are not allowed to consume any intoxicating beverages. If asked about their age, the members were told to tell the truth. The Police Officer was directed to produce ID, but the underage Police Aide was directed to not produce any form of identification. It was explained that the Police Aide was to order an alcoholic beverage. It was explained that at all times the plainclothes Police Officer should be in visual sight and observe the financial transaction for alcoholic beverages.

On March 31st 2017, at 12:25 AM, PO Hartl and PA Greer attempted to gain entry to the class "B" licensed tavern, Camp Bar, located at 525 E. Menomnee St. There was no security at the entrance to the tavern. PA Greer was denied service from a bartender in the tavern.

On April 5th, 2017, at 9:05 PM, PO Raymond Bogust informed Ashley Schulz-Lenz that the establishment successfully passed the initiative.

I introduced myself to the agent who was on scene and requested to see the license's to which he provided and were valid. I observed several open 5 packs of cigars behind the counter next to the cash register and asked if they were being sold individually. The agent (Nassif MADI) stated he was when he would run out of the box's which contained cigars marked for individual sale. I advised MADI that he could not do this if they are not clearly marked for individual sale. PA-33E Narrative

This report is submitted by P.O. Allan TENHAKEN assigned to District 3, early shift, with P.O. Tom OZELIE.

On 09/18/2017, my partner and I were dispatched to a property damage complaint at Midtown foods II at 3422 W. Wells St. Upon arrival my partner and I were advised by the owner Nassif E. MALI, 12/25/43, that an unknown subject was observed in his store that was acting suspiciously, looking around at all the cameras in the store. MADI advised that after the suspect left he noticed one the camera located on the exterior of the store was out of place. MADI advised he checked the video and the suspicious person that had been in his store had climbed up and pulled down the camera off of its mount. MADI stated he called the police and one of his employees re-mounted the camera on the store. My partner and arrived about 3 hours after incident occurred and we did observed the video footage to get a description of the suspect and we searched the area regarding this activity. My partner and I were unable to locate this subject. The incident was pended for further investigation and no actual permanent damage done to the camera. The assignment should have been changed to a suspicious person call.

PA-33E Narrative

This report is written by P.O. Denise Rueda assigned to the License Investigation Unit. On Saturday, December 2, 2017, I was assigned to work the Wisconsin WINS Youth Tobacco Initiative, checking area vendors for age compliance tobacco purchases. Assisting in this assignment was Komari Jawun BATES, (B/M, 11/27/00, of 3264 N 54TH Street). BATES is 17 years of age which is not of legal age to purchase tobacco.

At approximately 9:46am, BATES entered Midtown II at 3420-22 W Wells Street and purchased 1-2pk of Grape Swisher Sweet cigarillo cigars. BATES stated the cashier described as a Middle Eastern older male with gray hair wearing a kangol hat and green stripe shirt, who did not ask for his ID. I entered the store and immediately identified the cashier based on the description given. The cashier identified himself as the Agent Nassif E. MADI (A/M, 12/25/43). MADI did admit to selling grape swisher sweets to BATES and stated that he was sorry. MADI was advised that I would be sending out a letter to enroll in the M.A.R.T.S. program.

I will enter this complaint in the licensing file. There will be a hearing when the license is up for renewal. At that hearing all these issues can be raised and the licensee will have to address them. However, it is essential that citizens appear in person at the licensing hearing to testify in person since written and/or email complaints cannot be considered by the committee. I would advise calling police about noise issues. They can issue citations which would also be part of the licensing file at the renewal hearing.

Dear Mr. Baumann, I am writing about the excessive noise level and other issues regarding the Surg restaurant at the corner of Water and Erie. Ever since Ryan Braun's place closed they have been using the space to host weddings and other events. The noise coming from these events is excessive and impacts our ability to enjoy our condos. They also have been known to erect huge tents that block pedestrian access to the riverwalk. I've seen them place signs near Water street saying this is a "Private Event" which makes pedestrians have to walk around the front of the building and then reconnect with the riverwalk further down. We have complained to their management but they refuse to even acknowledge the problem. I am asking if there is anything you can do help get this resolved? Thanks you in advance.

Hi Mr. Bauman,

As you know, I have been complaining about the noise level from Surg on the Water operating in my condo building.....directly below me.

The noise level continues to be a huge problem for me. I have attached a copy of their license application, which shows that they have a "public entertainment" license.

I do not see anything that says they are covered for private weddings. Also, as you can see on the last page of the application, they clearly state in section 4 that they answered NO to the question, "at any time will sound amplification be used?" Clearly their bands and DJ's use huge amplifiers are used, which is why the noise is so crazy! Is there any way we can get them to stop??

Does that license include the right to hold private parties and weddings while not being open to the public for the service of food and drink? They are only opening the building for weddings and other events on the weekends only. Does it also include the deck for serving alcohol and allowing guests of the weddings to congregate till midnight on wedding party nights?
Thanks in advance for your response.

Good Afternoon,

We received a complaint from [redacted] (email included) a resident at [redacted] regarding the establishment located [redacted] Surg on the Water. [redacted] explained that the establishment's live music events are frequently so loud that her home shakes from the vibration. She also noted that she had contacted Surg on the Water's management previously and met to find a mutual solution. However, [redacted] states that the management claimed they had every right to continue in their mode of operation. [redacted] has also contacted MPD multiple times in the past, but so far has not been able to stop the issue. Can we please determine what all permits/licenses that 102 N Water Street (Surg on the Water) has with the City? Additionally, what date(s) would be the renewal for such licenses? Finally, please notify [redacted] of the next upcoming license renewal date for this business so she may provide testimony on this issue. She may be contacted by email at [redacted] or mail at [redacted]

Thank you very much,

PA-33E Narrative

This report is typed by P.O. Michael P. DESTEFANIS assigned to District One, Late shift. On Sunday, December 17, 2017, at 12:54 AM, I responded to a noise nuisance complaint at 102 N. Water St. Upon arrival I spoke to the manager on scene identified as Andrea BUBOLTZ, who showed me the current license for the premise which includes music, dancing, dj's, and other forms of entertainment from the hours of 11:00 AM to 2:30 AM, on Saturdays and Sundays. I was unable to get a hold of the caller, Joan LEROSE at this time. At the time of my investigation the event was over and there was no loud music or music of any kind being played.

On Tuesday, January 23, 2018, I was advised to contact Joan LEROSE regarding the incident involving Surg, on Saturday, December 16, 2017. On 1-23-18, at 6:30 Am, I spoke with LEROSE who stated that regarding the incident on 12-16-17, SURG used a decibel meter that worked at normal levels. LEROSE stated that after 9:00 PM, the noise got very loud and then SURG refused to use the decibel meter again to measure because the music was so excessively loud.

PA-33E Narrative

This report is written by P.O. Justin ARREDONDO, assigned to District 1, Late Shift.

On Sunday, January 21st, 2018, at approximately 12:25 A.M., I (myself and P.O. Brock CAMERON, Squad 1333, in full-duty uniform and operating a marked MPD Squad) were dispatched to 102 N. Water Street to respond to a noise nuisance complaint that was generated at 9:38 P.M. on Saturday, January 20th, 2018.

Upon arrival, spoke to the events manager Pricilla P. SOTO (w/f, 03-25-94) who stated that the business had just closed for the evening, but showed us the license information for the premises. The license indicated that the tavern is permitted the use of disc-jockeys, dancing performers, patron dancing, and bands, with hours 11 A.M. - 2:00 A.M. on Sunday through Thursday, and 11 A.M. 2:30 A.M. Friday and Saturday. The tavern license number is 0204872, and is permitted a DNS Total Capacity of 290. The tavern license is set to expire on 03/22/2018.

I was unable to determine any loud noise coming from the business at the time of my arrival. After speaking to SOTO, I attempted to call the complainant; Joan M. LEROSE (w/f, 12-02-63) via telephone, but was unable to reach her. I left LEROSE a voicemail and telephone number for any future incidents.

On Tuesday, January 23rd, 2018, I called LEROSE at 6:00 A.M. to attempt to contact her regarding the incident. LEROSE indicated over the phone that she had been having issues regarding the tavern dating back to 12-22-2016. LEROSE stated that on this incident, she attempted to complain about the noise nuisance to a man named Omar who, according to her, owned the business. LEROSE indicated that Omar threatened that if she ever tried to complain again, that he could have LEROSE arrested.

Another incident on 12-16-17 was for a similar incident. LEROSE stated that SURG used a decible meter to test the noise within the business, which indicated that the sound was within an acceptable range. After testing the decible meter, LEROSE stated that the sound was very tolerable. However, LEROSE explained that around 9 P.M. that same evening, the noise increased, and upon her request, SURG refused to test the decible meter any further.

On 01-20-18, LEROSE is having a similar complaint for excessive noise that begins around 9 P.M. each night. LEROSE would like to attend the license renewal process, and states that SURG refuses to cooperate with her requests.

- On 10/19/12 at 11:00 pm, Milwaukee police, along with members of Department of Neighborhood services, conducted a License Premise Check at 231 E Buffalo Street. Officers walked through the bar and did a rough count of about 140 patrons in the bar. When officers asked an employee working the door how many people were in the club and if he had a clicker with the exact amount of patrons, the employee working the door could not provide the officer with the count, nor did he possess a clicker with the count. Officers then spoke with Jared Siemers and brought to his attention that his license allows him to only operate till 1:30 am. Siemers stated that this was wrong and the officer asked Siemers to show him the license showing otherwise. Siemers provided his license where it showed his business must be closed by 1:30 am. Siemers continued to say this was wrong and asked to remain open till 2:30 am. Siemers was advised he could not and must close at time the license stated. Officers returned to the business at 1:30 am and observed the bar just starting to get patrons out of the establishment. At 1:50 am, the bar was free of patrons. A verbal warning was issued to the bar owner that in accordance with their license, all patrons must be out of the bar at 1:30 am and no later.

2. On 10/21/12 at 1:00 am, Milwaukee police went to 231 E Buffalo to meet with the owners and licensee regarding the hours of closing on their Class B Tavern license. Jared Siemers, along with Attorney Michael Whitcomb, were there and contended that the hours on the license was a typo by the city clerk and went on to say that they city can not modify the closing time of 2:30 am, as set by the State. A police sergeant advised them that for the time being, they needed to follow the terms stated on their license and close at 1:30 am. Attorney Whitcomb stated that his clients would be taking the citation for patrons after hours and remain open till 2:30 am. The police sergeant advised the Whitcomb that Siemers would not only be cited for patrons after hours, but police would also shut them down. Siemers, along with his partner, Sean Pliss, stated they would close at 1:30 am and would take care of licensing issues on Monday morning.

At 1:50 am, Milwaukee police went to 231 E Buffalo to verify that they were closed. Police observed a large group of people milling about on the sidewalk in front of the business and when officers drove by, observed a full bar with a large number of patrons inside. Police conducted a license premise check and observed patrons to be dancing and drinking. The DJ was still playing music and the bartenders were still serving. A police sergeant responded to the bar and ordered a count of patrons, which was found to be 167 patrons. A count of employees was also done and found to be at 23. Capacity posted was 170. Seimers was advised that citations would be issued for over capacity and patrons after hours.

REDACTED RECORD

January 23, 2018

Dear Sir,

I am very opposed to the placement and licensing of a class "A" liquor Malt Beverage License any where in Merrill Park. I am specifically opposed to there being a license granted the proposed "SoHi Wine and Spirits" for a store at 419 N. 27, Street as the sign says at that addresses door. This is within three blocks of a school. There are only 14 parking spaces in their lot. When I went to the store to garner information from the posting I saw seven cars in the lot that had not been plowed all day. The sidewalk was not shoveled today. There were two people who asked me for money on the way in. I felt put upon by the \$9.98 price of a frozen Pizza and the panhandlers.

Three months ago I was in the BP Store where some kids and a man in his 50's decided to ask the security guard to stop menacing them. They got into a loud verbal altercation and the guard put his hand on his pistol. I left the Soda I was planning on buying and scampered out of that store as fast as my legs would carry me. That BP can be scary at night with hot headed weapon carrying staff, patrons and "security", at every turn.

Recently I became a member of the Merrill Park Neighborhood association as a board member and borough representative. My state assemblyman (Evan Goyke) and many others asked me to come on board and participate in this. We can gather a lot of great neighbors but we can't do it alone. I will be working hard to bring others to Alderman Bauman's meeting 1-30-2018 at St. Rose School.

Giving the people at the BP a beer license was bad enough. giving them a liquor license is like pouring gas on a fire to, "See what that's like" fool hardy in the extreme. Really bad for where I have lived for the last 17 years too.

Sincerely Yours,

REDACTED RECORD

CITY OF MILWAUKEE
LICENSE DIVISION
2017 NOV - 1 P 12:33

To Whom it May Concern:

I am objecting to the City of Milwaukee granting a Class A Liquor and Malt License to Harjeet Walia for Sohi Wine and Spirits at 419 North 27th Street.

I own the business [REDACTED] almost 20 years. We have always had issues after hours in this neighborhood and since BP was established, we have seen an increase of unfavorable activity even during the day. There has been an increase of pan-handling, drug deals and vagrants hanging around the BP and 27th Street. We witness this activities often ad have notified the Milwaukee Police Department on numerous occasions. We even had a pan-handler come into our vestibule to smoke crack and urinate on our door. Of course we called the police but what can they do??

We are a 24/7 hour business with employees in the office and arriving or leaving at all hours and this will certainly not make us feel any safer. We are already approached at all hours of the day and night for money, cigarettes and food.

I need to make sure that my employees are safe and this will not make our corner very safe. I feel that this will make it unsafe for the neighborhood. I certainly will not feel bad about moving out for the safety and well-being of my employees if this is allowed to happen on our corner.

If you have any questions, please contact me at [REDACTED]

Heard about it. No details yet from police. I will support non renewal of the license however there a legal process that requires objectors to attend the license committee hearings and provide eye witness testimony about problems. Petitions, letters, email etc cannot be considered.

Alderman Bauman,

I haven't said anything in the past but this is the 2nd shootout this year and I think it's time to shut down "Brown's Lounge". I have been living in my house for over 40 years and have never seen anything like this. I'm sure the city doesn't like to shut down any small business but there are 2 schools and an elderly care facility within 200-300 feet of this business not to mention that it is happening in front of my house!

If you need more support for closing this establishment , I would be more than willing to go door to door and get signatures :

Please keep me updated on anything that the city is considering concerning this business.

The applicant stated she had no problems inside the tavern today. She stated her security guard had observed the subject with gun outside and she immediately locked the business to protect her customers and called the police. He stated he stepped outside and told the victim to come back inside of the premise. He stated he saw a black male, carrying a long gun, running towards the premise. This report is submitted by PO Lyndsey PETERS assigned to District Three, Modified Early Shift. On Tuesday, October 24th, 2017, at 1pm, a meeting was held at District Three in the Conference Room with the current owner of Talk of the Town. She stated she has owned it for the past five years and her dad owned it the twenty years prior to that. She brought her boyfriend, Antwan Battles, and long time employee, Eddie Murdock, with as well. The other people present were; Captain Boston-Smith, Officer Anderson, Officer Whittenberger, Officer Yinko, ACA Leigl, ADA Ringersma, DNS Special Enforcement Inspector Rzepkowski, Bobby from Safe and Sound and myself. Captain brought up the significant issues that have occurred at the location in the recent past. The owner, Dyan WARD, stated that these issues were not related to her business. She stated they were related to people in the neighborhood causing the issues. WARD stated they currently do not have a working camera system since it was taken regarding the last incident. However, it will work once returned. WARD stated they are currently looking into getting new cameras where the monitors will be more easily accessible and kept downstairs. One issue brought to their attention was the fact that MPD couldn't access the cameras at the time the incident occurred. WARD stated that she didn't have the key on her at the time for where the monitors were kept.

Another issue brought to her attention was the fact that she did not have the security guards information on hand when the Homicide occurred. She explained that they used to use a company so they would have different people on different days. They only had that agency for approximately one month. They now use a new agency (since the incident in September), the Freedom Fighters, who are armed. Her last security agency was not. She stated she has two security guards on staff during times of operation and she feels safe with who she currently has. WARD stated that the security guards utilize a wand on the females entering the premise and a pat down on the males. They check identification and walk the exterior of the building approximately every 15-20 minutes. A suggestion was made to try and keep the same two security guards if they are working out well. Since the incident occurred in September the owner stated she now closes an hour early every night. They are open seven days a week until approximately 1:30am. She stated they do not serve food there and there are two employees (other than security) on site during hours of operation. WARD owns the property, but does not live there. WARD stated they have six cameras in total, two of which are outside located on the front and side.

WARD believed her capacity was either 49-50, however, Officer Yinko stated that it was 80. On an average they have approximately twenty patrons per night. WARD stated that they used to use the rear patio to allow people to smoke and avoid people loitering in front of the location, but they have to keep those doors locked now, since they have had issues with one specific problem subject. WARD only knew his nick name off hand, which is "Trouble." She stated that subject is the only one that has ever caused issues for them. He was banned from the premise after she observed him pass a gun to another subject over the fence. Problems arise when his friends are let in, but he isn't. He will stay outside until they leave and according to WARD and her boyfriend he is always armed. They stated they had an incident with him, approximately one year ago, where he broke a glass window of theirs while banging on the window in attempts to lure the security guard outside. This subject was later identified as Alan J. MCNEAL, B/M, 7/16/80. He currently has an open case for RES and another misdemeanor. We recommended looking into a restraining order. WARD was given the information regarding obtaining one. She also asked if a victim witness advocate could follow up with her. I contacted Celena Zonoozi who followed up with WARD.

Prior to the end of the meeting, Captain Boston-Smith, made a couple of recommendations to include a camera system in working order so MPD can have easy access to it. And WARD inquired about having a CPTED done at the location. A CPTED is set up for Monday, October 30th, 2017, at 6pm. We also have a standing complaint form on file now.
