To the Public Works Committee

Subject: Common Council Resolution File Number 081134

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 081134, which amends a special privilege to Bootlegger's of Milwaukee LLC for addition of a storm enclosure for the premises at 1023-25 North Old World Third Street.

Bootlegger's of Milwaukee LLC had requested permission to construct and maintain a platform with steps and excess door swing in the public right-of-way in order to create a secondary exit from its building. Permission for these items was granted in 2008 under Common Council Resolution File Number 071341.

The present request is to install and maintain a storm enclosure which projects up to 1-foot into the minimally 12-foot wide north sidewalk area of Old World Third Street. Said storm enclosure commences at a point approximately 2 feet south of the southline of the east-west alley adjacent to the subject premises and extends 10 feet 6 inches to the south. There is a door attached to the southern end of the storm enclosure that, when fully open, projects up to 2 feet into the public right-of-way. It should be noted that this storm enclosure is designed to be installed and removed seasonally, so that it will be taken down for the summer and fall and reinstalled for the winter.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes
