Honorable Nic Kovac
Alderman, 3rd Aldermanic District
Room 205, City Hall

Subject: 3rd ALDERMANIC DISTRICT – FILE # 081189
INSTALL NO PARKING ON THE SOUTH SIDE OF EAST
CENTER STREET FROM A POINT 110 FEET EAST OF
NORTH FRATNEY STREET TO A POINT 25 FEET EAST THEREOF

Dear Alderman Kovac:

This is in response to your request on behalf of a local resident to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists exiting the alley south of East Center Street between North Fratney Street and North Bremen Street have a difficult time seeing traffic traveling eastbound on East Center Street when vehicles park close to the alley approach. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Milele A. Coggs

Subject: 6th ALDERMANIC DISTRICT – FILE # 081189
INSTALL NO PARKING ON THE EAST SIDE OF
NORTH COMMERCE STREET FROM A POINT
70 FEET NORTH OF EAST DOCK STREET TO A
POINT 25 FEET NORTH THEREOF

Dear Alderwoman Coggs:

This is in response to a request from a local resident who resides at Brewers Point Apartments to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists exiting the parking lot of Brewers Point Apartments have a difficult time seeing traffic traveling southbound on North Commerce Street due to the alignment of the roadway and when vehicles park close to the driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
