Thanks Tim.

Sarah and I have reviewed the revised plans (including the proposed landscaping) with the Raves, and we are happy to withdraw our original objection to the project, including the installation of the new driveway off of Terrace Avenue.

Please enter this email into the record as a formal notice that the neighboring property has ***no objection*** to the project, and that we fully support the issuance of COA so that the Rave's project may move forward.

Best regards,

Will Slaughter
