Dear Mr. Schreiber:

I spoke to Archie Blunt, Dept. of Neighborhood Services supervisor, who said if you can call him at 414-286-3853 the two of you might be able to resolve both your appeal as well as your appeal relating to the vacant building charge. If the two of you can come to an agreement, you would not need to come to a future Administrative Review Appeals Board meeting on these two issues. He does not have a phone number for you, so even if he is not at his desk, please leave your number so he can contact you about both these issues.

Sincerely,

Linda M. Elmer  
Staff Assistant
