## REDACTED RECORD

 Subject: Attention To: Justin/City of Milwaukee license divi

Attention To: Justin/City of Milwaukee license division

To the city of milwaukee license division and City Council unfortunately I must inform you that a general contractor from JDM Development by the name of Willie Pritchard has done me and my family a huge injustice. We the family hired JDM development January 20, 2016 to perform siding and trim work on our house and garage located at

As simple as things might seem Mr. Willie Pritchard complicated things and left my home in shambles. His job was to put on some aluminum trim on the house in the garage along with aluminum siding and put up supports rails and lights. For no reason worth comprehending this jackleg general contractor you all licensed by the name of Willie Pritchard at the audacity to send non-professional drug addicts to my home perform the work. In the matter of days it became a nightmare, neither person they sent had a clue as to what they were doing and in the process they did more damage then they did good. My daughter tried to contact Mr. Willy Pritchard on multiple occasions even after he willingly express he took the money from my insurance company to perform work on someone else's roof. Not only is this unprofessional but is also very unethical seeing that he had not even started my job yet. Then he takes the rest of the money and buys a van. I was totally undone as I sat around looking for Mr. Willie Pritchard to come finish completing my job and correct the damages his incompetent crackhead workers did wrong. Since then Mr. Willy Pritchard just tried to get more money out of me, my insurance company, and out of my daughter. He has threatened us with false allegations, has brought people by my home pretended to be lawyers that clearly were not and to top it all off left the siding off hanging off my house and my garage causing weather damage and rain to get in just to make matters worse.

Respectfully I asked you all snatch his license and run him out of town. He does not have a clue of what he is doing in the construction field, he has caused me and my family a lot of grief and pain. I would ask that you all would contact me when his license comes up for review so I can show you the pictures and the bogus proposal and noncontract he gave me which he did not live up to. In fact he put the wrong color siding and trim on my house and tried to make me believe he was doing what was best for me instead of sticking to the agreement. Mr. Willy Pritchard is a prime example of people who give general contractors a bad name. I feel as if I was scammed and taking for a ride. I am a senior citizen and a taxpayer who faithfully contributes to the city Milwaukee, I serve as a deacon for my local church and I am a volunteer for the hunger task force on silverspring. Every day of my life I make contributions to the city of Milwaukee and the people of the city as we as a whole strive to make things better. Truly I am hurt by this incident and feel as if I cannot trust anyone due to the fact JDM development negligence and mental incompetence. I would ask that you will bring a stop to this madness and this mad man by shutting him done before some takes a gun a cut him done in the middle of the street. Recently I have been forced to check him and his company out and what I discovered was that he and his company has a very bad name including a very bad reputation all across Milwaukee for beating owners as well as his workers. I strongly feel as if theres negligence on my part for not doing a thorough background check on JDM development and Willy scam artists Pritchard, now other than that I have done everything I could possibly do. This is now September 27 2016 and my house is in a total wreck I now have to hire new contractors because I have given up all hope of JDM development returning to complete a job which I know they are totally incapable of doing.
