

BID #50 Board Member Renewal – Resume Summary

Roberto Montemayor

Owner/Operator

Monterrey Market

Monterrey Market has operated on the philosophy of "people first, profits will follow." That motto still stands today, reflected by the quality customer service provided in our stores and the community service we provide throughout the areas in which we operate. We strive to continue that tradition by helping the community flourish with more than just groceries.

We are committed to community involvement in our neighborhoods and city. Sometimes the community needs a helping hand, and our employees are dedicated to the betterment of their communities. We live here, too, and know the importance of strong community support.

Monterrey Market strives to promote opportunities that benefit healthy, well-balanced children, community safety and environmental sustainability.
