INSTALL NO TRUCKING 3 TONS OR OVER ON
SOUTH 68TH STREET BETWEEN WEST ADLER STREET

WEST ADLER STREET BETWEEN SOUTH 68TH STREET
AND SOUTH 70TH STREET

Dear Alderman Murphy:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restrictions.

Our Traffic Engineering staff has investigated this request and found that since these streets are strictly residential and trucks are using them as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.

Alderman, 1st Aldermanic District
Room 205, City Hall

SUBJECT: 1ST ALD. DIST. - FILE #180259
INSTALL STOP SIGNS ON WEST STARK STREET
AT NORTH 46TH STREET

REMOVE YIELD SIGNS ON WEST STARK STREET
AT NORTH 46TH STREET

Dear Alderman Hamilton:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of a bush that would warrant the above-captioned change in the traffic control at the intersection. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Jose G. Perez

SUBJECT: 12TH ALD. DIST. - FILE #180259
INSTALL ALL-WAY STOP ON WEST ROGERS STREET
AND SOUTH 12TH STREET

REMOVE STOP SIGNS ON WEST ROGERS STREET
AT SOUTH 12TH STREET

Dear Alderman Perez:

This is in response to a request we received from a local property owner to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned all-way stop control. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
