Kessenich and Metoxen aren't city residents, so a file would have to be put in to permit non-city residents to serve on this body (speak to Keith about that). I believe those 2 have already gone through CED, but they cannot serve at this time as they aren't city residents.

For your other 3 appointments (assuming they ARE city residents), you need to e-mail Debbie Fowler a letter appointing them to this body (and which group they represent) as well as include a resume with contact info. for each individual. That would need to be in by Friday in order to go through this upcoming cycle's meetings.

I have attached a copy of the creating resolution which notes which groups are represented on this body.

Linda,

We are ready to move things forward. Here are the names:

Troy Reese – TL Reese Corporation

Mark Kessenich – WRTP/Big Step

Ossie Kendrix - AACCW

Carla Cross – Cross Development Group

Shannon Metoxen – CP Cullen

Per President Hamilton and Ald Stamper they would like this to move forward this cycle. Please advise anything else that you need from me. Thanks
