Subject: Re: Towing Ordinance

Hi Amanda, I talked to you a month or so about the fact that my truck was towed away illegally from Dollar General on Locust across from Gordon Park. I went to small claims court, and the defendant of Apy's Cars showed up and told the commissioner a number of untruths. I am due to see them again on May 24th. Even though I have a the manager of the Dollar General coming as a witness I am anxious and need some support. . The towing company not only stole my truck, but ended up breaking the transmission so that all in all, they cost me \$2100. I and wonder if Nik could spare a half an hour for some moral support or advice either this Tuesday a.m., Wednesday or Thursday or next week at noon on Tuesday. I am taking several trips so don't have a lot of time, but I will be back on May 8th, and have lots of time up to the 24th. Let me know what might be possible. Sincerely, [REDACTED]

Per Wisconsin State Statutes 349.13(3m)(dm), the towing service shall charge the vehicle owner a service fee not exceeding \$35 (current fee is \$30, which became effective September 1, 2015) and shall remit this fee to the municipality. All service fees collected by a towing service may be aggregated and forwarded together, on a monthly basis, to each applicable municipality. The service fees allow the City to comply with 349.13(3m)(dm), which requires every law enforcement agency to maintain a record of each invoice received, as well as identification of the towing service removing the vehicle.

Per Wisconsin State Statutes 349.13(3m)(d)2 before any vehicle on private property is removed by a towing service, the towing service shall notify a local law enforcement agency of the make, model, vehicle identification number, and registration plate number of the vehicle and the location to which the vehicle will be removed. Per 349.13(3m)(dr)2 a towing service operating in a 1st class city may not collect any charges for the removal or storage of an illegally parked vehicle if the towing service has not complied with the requirement above. Per 349.13(3m)(dr)1 a towing service may not remove a vehicle under this subsection if the vehicle has been reported to law enforcement as stolen.

Apys Cars, represented by Diana B Blas, Agent, has been operating since December, 2015 and was issued their current Recycling, Salvaging or Towing Premises license on 9/7/16. Twenty-nine invoices have been issued since December 2015, totaling \$47,687.82. The first five invoices were paid in a timely manner, totaling \$7,060, with the last payment made posted on June 2, 2016. Since then, the remaining 24 invoices dated July 15, 2016 through June 13, 2018, have not been paid. The outstanding balance for Apys Cars is currently \$40,627.82 which includes \$1,777.82 of interest. On September 30, 2017, twelve (12) invoices totaling \$19,110 were sent to Kohn Law Office for collection (File 901472-901483).

Prior to obtaining the license for Apys Cars, the same individuals operated under the business name of Cars Inc., performing private tows that required compliance with the Wisconsin State Statutes referenced above from September, 2015 to August, 2016. During that time, seven (7) invoices were issued for private vehicle tows to Cars Inc. totaling \$17,125. No payments were made on any of those invoices. On November 30, 2016, \$16,495 of this balance was sent to Kohn Law Office for collection (File T867859).

Based on the payment history, not only of Apys Cars, but of the previous company owned by the same individuals, Cars Inc., DPW-Parking is presenting this information for the Licensing Committee's consideration pending the renewal of Apys Cars' license.

We recommend suspension of Apys Cars Recycling, Salvaging or Towing Premises license until such time that all fees owed to the City of Milwaukee per Wisconsin State Statute 349.13 by Apys Cars and Cars Inc. have been paid in full.

Dear Sir or Madame:

CARS Inc. is currently delinquent for service fees owed to the City of Milwaukee. The delinquent total currently owed is \$16,425.00, which includes service fees from January 2015 through December 2015.

Per State Statute 349.13, the towing service charge of \$30 assessed to each vehicle owner shall be remitted to the municipality. All service fees collected by a towing service may be aggregated and forwarded together, on a monthly basis, to each applicable municipality.

We ask that you adhere to State Statute 349.13 by remitting the currently owed amount of \$16,425.00 immediately. We also ask that you ensure that all service fees are remitted in a timely manner – at a minimum, on a monthly basis. Any portion of these delinquent service fees not paid by May 27, 2016, will be sent to collections.

If you have any questions contact Tom Woznick, Parking Operations Manager at (414) 286-3635.

Very truly yours,

Ghassan Korban

City of Milwaukee Official Notification

To: All Milwaukee Towing Operators Towing From Private Property

Re: Non Remittance of Service Fees for Vehicles not Claimed by Owner and Payment Procedures

Effective September 1st, 2015 the City of Milwaukee will not require remittance of a service fee for authorized tows not claimed by the vehicle owner. In order to avoid being billed, private towing contractors must provide the city of Milwaukee Tow Lot with verification the unclaimed vehicle has been recycled or sold. Acceptable verification includes: a weight ticket from a salvage yard, auction paper work, a signed over title (if vehicle is titled or signed over to towing organization), or other legal verification at the discretion of the City of Milwaukee. These documents should be grouped together and sent to the attention of Patricia Roundy at the City of Milwaukee Tow Lot by the last day of each month. Approved claims will be reflected on the billing cycle in which verification of unclaimed status is provided. Refunds of previous submitted service fees for vehicles not claimed by the owner will be processed upon submittal of the same aforementioned acceptable verification.

Effective September 1st, 2015, all towing operators towing from private property will no longer make payments at the City of Milwaukee Tow Lot. Invoices will be mailed and payments will be remitted to the City of Milwaukee Accounts Receivable Department. Please reference the invoice number upon remitting payment. All invoices will be sent monthly.

Very truly yours,

RE: Outstanding balance due to City of Milwaukee for Tow Reference Number Service Fees

Dear Mr. Blas:

APYS CARS is currently delinquent for remittance of towing service fees to the City of Milwaukee in the amount of \$12,690 for service between May 2016 and November 2016.

Pursuant to Wisconsin Statute § 349.13(3m)(d) and (dm), towing services must charge the owner of a towed vehicle the service fee imposed by the municipality in which the towed vehicle was removed, and remit that fee to the municipality. The City of Milwaukee has set that service fee at \$30 for each towed vehicle. All service fees collected by a towing service under this paragraph may be aggregated and forwarded together, on a monthly basis, to the City of Milwaukee. Failing to remit these fees places you in violation of state statutes and City of Milwaukee Ordinances.

Failure to remit these fees in full by April 3, 2017, will **automatically** result in your account being referred to the City Attorney for collection. The City Attorney will transfer your delinquent remittance of fees to the City's collection law firm. The Kohn Law Firm serves as the collection agent for the City of Milwaukee. Contact Danielle Rodriguez, Parking Financial Manager at 414 286-2404, with questions. Remit payment to: Parking Services, Attn: Danielle Rodriguez, 841 N Broadway, Room 614, Milwaukee WI 53202.

Sincerely,

Recycling, Salvaging, or Towing Premises License Renewal Application

Tuesday, July 17, 2018 at 1:30 PM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 7/17/2018 at 1:30 PM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

This report is written by Police Officer David NOVAK, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 01/29/11 at 4:12 pm, Milwaukee police were dispatched to 27th and Atkinson for a Shots Fired complaint. Police spoke with a victim who stated he was shot by an employee of Hot Spot Super Market. The victim stated it occurred in front of the store and he was then transported by MFD to an area hospital for treatment. Police responded to the store and attempted to speak with the employees and witnesses however they were uncooperative. Police requested to view video. The owner, Nael Jabber, stated that they had no video in the store for at least the last two months. Employees were telling officers they did not know why police were there. The business was closed until the investigation was completed. While on scene, police recovered two guns that were located in the store, which were confiscated by police. Police took photos of all employees, which were shown to the victim who identified Nader Ahmed Salem as the man who shot him. Salem was then placed into custody. Numerous other violations were observed in the store such as the sale of single cigarettes and batteries. Police also found two cans of pepper spray, a knife with a 5 inch blade, an empty gun holster and a scale.
2. On 05/24/11 at 12:45 pm, Milwaukee police as well as members from the the Department of Neighborhood Services conducted a License Premise check at 2643 W Atkinson. A check was done to verify that the store had their camera system properly running. The camera system was found to be not working because of construction work being done on the rear of the building and officers also observed excessive signage on the exterior of the building. The DNS inspector advised Nael Jabber that he would get back to him regarding obtaining the proper permits for the signage on the exterior and the remodeling that was taking place. No other violations were observed at this time.

3. On 06/03/11, a store clerk identified as Ibrahim A Issa, did sell to a citizen two single Newport cigarettes for a dollar. Behind the counter was a box with numerous single Newport cigarettes. It was a citizen that complained to police about the sale of single cigarettes. Issa was cited for the violation.
