Dear City Clerk,

I am writing to appeal a decision made regarding a claim for damage to my automobile incurred when hitting a pothole. My file is C.I. 09-S-30.

The route I traveled the day the damage occurred was not part of my normal traffic route. It was early Sunday evening and I came upon the pothole very unexpectedly and did not have time or room to take evasive action. I do not think it is fair to deny a claim because the road hazard had not been previously reported. My husband did report the road hazard the day following our mishap. If this had been a regular traffic route for either of us, we would have reported it earlier.

I am asking you to reconsider your decision. Thank you.

Sincerely,

Vicky L. Schinker

To Whom It May Concern:

On Sunday, January 4 I was traveling westbound on Oklahoma Avenue. Just west of 27th Street I hit a huge pothole, which was unavoidable due to its position in the road. As a result of hitting the pothole, my right front tire blew out and had to be replaced. I am asking to be reimbursed for the cost of the tire and have included a copy of my receipt.

My husband called to notify DPW about the pothole but mistakenly said it was closer to 43rd Street.

Thank you for your attention to this matter.

Sincerely,

Vicky Schinker
