Subject: In Favor of Bird Scooters

Hi!

I'm not 100% sure if you're the correct person to contact, but I wanted to let try you know that I am a Milwaukee resident and I am heavily in favor of allowing Bird Scooters.

I think they are a great, green and effective way of discovering new parts of Milwaukee, reducing the amount people drive and park, as well as making our festivals more accessible.

Just my two cents. Have a good one!
