**Subject: Say NO to Bird scooters!!** 

Here's another Bird scooter obstructing the public right of way (and an entrance to Allen Bradley). If I took pictures of all the Birds I've seen obstructing, my phone would probably explode.

Incidentally, I took this offending scooter to MPD District 2, and they told me to toss it in a dumpster as abandoned property. I resisted that urge and dropped it off over near 5th St, out of the way of pedestrians, of course.
