Material and Design Specifications (see next page) |

PLEASE NOTE:

YOUR APPLICATION CANNOT BE PROCESSED UNLESS BOTH PAGES OF THIS FORM ARE PROPERLY COMPLETED AND SIGNED.

## 5. DESCRIPTION OF PROJECT:

| Tell us what you want to do. Describe all proposed work including materials, design, and dimensions. Additional pages may be attached.  Hepair rotted wood on front porch decking, columns, and railings, as well as rotted wood in upper   |
|---|
| original. I was told by my builder that the curved edges on the sides of the railings could not be replaced and therefore I am proposing that the railings be 6" taller. If the Historic Preservation Commission has the name of someone who can replicate these I would be happy to pursue replacing |
| them and adjusting the railing height accordingly.  |
|   |
|   |
|   |
|   |
|   |
|   |
|   |
| SIGNATURE OF APPLICANT:   |
| Kathryn Finerty   |
| Signature   |

This form and all supporting documentation **MUST** arrive by 12:00 noon on the deadline date established to be considered at the next Historic Preservation Commission Meeting. Any information not provided to staff in advance of the meeting will not be considered by the Commission during their deliberation. Please call if you have any questions and staff will assist you.
