RE: 5205-5207N 66TH
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Department of Public Works Operations
(Name of City Department) Division - Env Services

Amount of the charges \$ 100.00

Charge relative to: Tall Grass/Weeds

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

There was not a reinspection date given and the grass was cut within the allotted time. The inspector did not give a contact number to reach him at for reinspection. We feel that this charge is not warranted as the grass was cut on August 26th and so it fell within the time to remedy.
