Updated Information about the Sister City:

Areas of mutual interest and involvement between the City of Milwaukee and the Tarime District sister city in the areas of culture and education:

1.0 Introduction

The second year of the sister cities relationship focused on continued plans of welcoming the city of Milwaukee to Tarime, Tanzania to expand and strengthen the partnership both in Milwaukee, USA as well as Tarime, Tanzania and the country as a whole for mutually beneficial exchange.

The Sister City Program, administered by Sister Cities International®, was initiated by the President of the United States of America in 1956 to encourage greater friendship and understanding between the United States and other nations through direct personal contact. As part of promoting this program, the City of Milwaukee in USA and the Tarime District, Tanzania entered into a partnership agreement on July 6, 2016. Common Council President of the city of Milwaukee, Ashanti Hamilton, on behalf of Mayor Tom Barrett of Milwaukee, and Mayor Moses

Matiko, Mayor of the Tarime District, Tanzania signed the partnership agreement on November 7, 2016. Tarime District and the city of Milwaukee share a common interest in areas of education, health, culture and business with the desire to promote mutual understanding among its citizens. The people of Milwaukee and Tarime District in a gesture of friendship and goodwill, agreed to collaborate for the mutual benefit of their communities by exploring educational, economic and cultural opportunities; and agreed to support and encourage opportunities for mutually beneficial practical exchanges in the fields of business, culture, health care, education and tourism.

OVER ALL OBJECTIVE

1.1 The overall objective is to foster and encourage greater friendship and understanding between the City of Milwaukee in Wisconsin, USA and Tarime District in Mara, Tanzania through direct personal contact.

Details of communication and consultation with the sister city regarding the existing relationship:

2.0 Partnership Achievements

2.1 Supporting the local entity Mosorec International Foundation (MIF) in Tanzania

To help with the planning, activities and implementation of sister city relationship, Mosorec International Foundation (MIF) in Tanzania has been assisting in the expansion of the partnership by working on the local ground. MIF-Tanzania has helped with the developing and implementation of the partnership and in exploring avenues for expanding the partnership.

The main objectives of MIF are:

- To promote social, economic, educational and cultural development of the residents of Tarime
- Within the framework of the foregoing, the Mosorec International Foundation (MIF) Tanzania adhere to the following principal objectives that are in line with the Sister Cities Relationship;
 - To promote economic activities (trade, commerce)
 - To promote quality education
 - To promote healthcare
 - To promote access to clean drinking water
 - To promote access to quality housing
 - To promote modern agriculture and
 - To promote infrastructure development (roads, electricity, etc.)

Mosorec International Foundation (MIF)-Tanzania is a Tanzanian registered Non-Governmental Organization entity and has a functional office with its headquarter in Tarime, Tanzania with a branch office in Dar-Es-Salaam, Tanzania and has its own budget. It has provided a positive environment as an outlet for mobilizing resources locally and internationally for the benefit of the residents of Tarime. MIF-Tanzania continues to work on the objectives mentioned above and has welcomed Milwaukee citizens in year 2018. First group of Milwaukee citizens arrived in Tarime, Tanzania in April 2018 with the second group visiting in December 2018. More details on the visit in the 2019 report.

2.2 Increasing access to education in Tarime, Tanzania

Part of the main focus for the Sister City relationship is to improve access to education. From the beginning Mosorec International Foundation has assisted in the building of an elementary school (Mosorec International Academy) in Tarime District to provide and increase access to education for children especially girls. Three classroom buildings have been built thus far. As part of the implementation of the partnership agreement, the ladies of Alpha Kappa Alpha Sorority, Inc. of the Epsilon Kappa Omega Chapter (EKQ) of Milwaukee, Wisconsin have been supporting Mosorec International Foundation on the initiative. They plan on taking a second service trip to visit the school in Tarime and experience Tarime in December 2018 as part of the mutual educational and cultural exchange program. Others are ladies of Milwaukee (WI) Chapter of the Links and other Milwaukee citizens. On the trip, they all have taken or plan to take educational materials for the school.

2.3 Provide clean safe drinking water for Tarime

The Tarime District residents have limited access to clean safe drinking water for its residents and farm animals despite efforts made by the Government for people to have access to water. For that reason, the city of Milwaukee has helped to provide clean safe drinking water for children and families. New Testament Church of Milwaukee, Alpha Kappa Alpha Sorority, Inc.-Epsilon Kappa Omega Chapter in Milwaukee along with other generous Milwaukee individuals have contributed to this effort. After a successfully completion of Phase 1: Digging of the water well at the Mosorec International Academy in Tarime, and putting a rain catching water tank and tank stand to catch rain water, we are currently on Phase 2: Construction of additional water tank stands, plumbing and electricity for the well. We are seeking support to finish the final part of the water well project to provide clean safe drinking water to the people of Tarime.

2.4 Empowering girls and women through training and education

Mosorec International Foundation has women empowerment initiatives to empower women and help alleviate poverty, increase access and opportunities, and increase girls' access to education. MIF continues to help in the building the school (Mosorec International Academy in Tarime) and have more girls in the school and also provides tuition fees/scholarships, food, school supplies, and school uniforms so the girls can attend for free. We also have boys at the school. MIF also provides for entrepreneurship training for women. Again, Milwaukee organizations such as Alpha Kappa Alpha Sorority, Inc.-ladies of Epsilon Kappa Omega (EKQ) Chapter of Milwaukee, New Testament Church in Milwaukee, ladies of Milwaukee (WI) Chapter of the Links and Milwaukee citizens have been generous and supportive in these initiatives. We are still seeking to increase number of girls in school hence seeking sponsors for the girls, a school bus to provide transportation, and increase number of classrooms at the school-Mosorec International

2.5 Milwaukee taking a trip to Tarime, Tanzania in 2018

The first year of the sister cities relationship focused on plans of welcoming the city of Milwaukee to Tarime, Tanzania to expand and strengthen the partnership both in Milwaukee, USA as well as Tarime, Tanzania and the country as a whole for mutually beneficial exchange. Therefore, the ladies of Alpha Kappa Alpha Sorority, Inc. of Epsilon Kappa Omega (EKQ) Chapter, ladies of Milwaukee (WI) Chapter of the Links along with Milwaukee citizens have taken a trip (April 2018) and will be taking another trip to Tarime, Tanzania in December 2018. We still look forward and hope that the City of Milwaukee will join us on this trip as well. Mosorec International Foundation has support and is working with the Tarime Mayor, local leaders, and citizens to welcome Milwaukee back to Tarime just as they did in April 2018.

3.0 Implementation Plan

S/N	Activity	Sub activities
1	Improve Educational Opportunities	Milwaukee to provide support for building classroom buildings and a kitchen for an elementary school in Tarime. Add additional toilets at the school. Have a handwashing station. Also, Milwaukee to mobilize for donations of educational materials. Exchange program between Milwaukee schools and Mosorec International Academy in Tarime.
2	Implement Youth Development and Women Empowerment Programs	MIF to identify the activities of Youth Groups and Women Groups within Tarime District and develop proposals for capacity building.
3	Implement Cultural Exchange Program	MIF to continue with the plans for the establishment of Cultural Centre and activities in Tarime
4	Improve Healthcare Facilities	Milwaukee to mobilize for donations of hospital equipment. Exchange program between hospitals in Milwaukee and Tarime referral hospital.
5	Provide Clean Safe Drinking Water	Provide support to complete water well project
6	Increase Access and Opportunities to Education	Academic exchange programs Provide scholarships for girls Provide scholarships for students – for academics and athletics Provide mentorship for girls in science and technology Books and sports donations to equip classrooms, libraries, computer lab, football/soccer and after school clubs
7	Improve tourism attraction sites	Choose tourist destination sites in Tarime, Mara
