*Marketing and Communications*  
2010-present

I am responsible for: art direction and design of print and digital projects for all areas of the College including annual reports, *Alverno Magazine* and admissions collateral; maintaining brand standards; collaborating creatively with colleagues college-wide.

### AFTER WORK

Basilica of St. Josaphat - Milwaukee, WI  
1985-present

I serve the parish primarily in areas of hospitality, event planning and doing of functions ranging from small receptions to large dinner dances and have developed and managed committees focused on bring the community together. I am a docent and sang with the choir for 26 years.

April 2017- present

I served as interim administrator of the St. Josaphat Basilica Foundation along-side the interim executive director. I was responsible for processing donations, developing communication collateral and working with a small committee to put on a gala that netted over \$100K.

I continue to work with the foundation and its new executive director in supporting its efforts to preserve the Basilica building.

### FAMILY
