RE: Audit of the 2018 Financial Statements

Dear Council Members:

Auditing standards require the City's audit firm, Baker Tilly Virchow Krause, to communicate to the Council during the planning and completion phases of each year's audit. Attached is a letter from the audit firm for the upcoming 2018 audit.

Should you have any questions regarding this file, please contact Rocky Wruck at extension 2304.

Sincerely,

A handwritten signature in cursive script that reads 'Martin Matson'.
