I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

Dear Norma Saldana:

The Prohibited Dangerous Animal Appeal Hearing was held on October 1, 2018 at 1pm at the City of Milwaukee Lake Tower office. Present were Clarion Bannach, DNS officials and the three member hearing panel.

After testimony was received by all respective parties, the panel went into committee and rendered a decision declaring your dog, Chucha, to be a prohibited dangerous animal. Based on that decision, the order from the Department of Neighborhood Services stands.

**You are ordered to euthanize your dog, Chucha, within seven days or permanently remove your animal from the City of Milwaukee.**

**If the animal is taken outside the city, you must provide the inspector with the full name, address and phone number of the person where the dog is proposed to reside.** The City of Milwaukee will contact that municipality to determine if the animal will be accepted.

Failure on your part to comply with this order may cause the issuance of a citation which may result in a forfeiture ranging from \$150 to \$1,000 for each day of violations, disobedience, omission, neglect or refusal. In accordance with Chapter 200 Milwaukee Code, a re-inspection fee may be charged for any re-inspection, except no fee shall be charged for the final re-inspection when compliance is recorded. Re-inspection fees shall be a lien upon the real estate where the re-inspections were made.
