RE: TAXKEY #401106300
2911 W. CLYBOURN ST.

Dear Board:

I am providing this letter of appeal with regards to a cost to correct a garbage and litter order by the Department of Neighborhood Services. In the correspondence it states that we were notified by DNS and failed to comply. In fact, I did not receive any order to correct in the mail prior to receiving a letter stating \$173.60 was owed.

My office received a call from a neighbor at the beginning of October regarding garbage on the alley fence line. Although it is the alley and not my responsibility, I sent staff out to clean it.

My office requested pictures to see what garbage or litter was in question. Upon receiving pictures I was surprised to see what was in question. The pictures were from the alley line and there appeared to be no garbage at all, but rather leaves with a few wrappers. We even contacted DNS and spoke to a Marci Otto and an inspector to inquire about the matter and in their review of the pictures. Neither saw a legitimate order and we were advised to appeal. I am attaching a copy of the pictures.

This order and the fine are ridiculous to me. In addition, I think it is unfair that time has to be wasted to file an appeal and pay a fee to do so for something that could have been handled by the DNS office.

Please advise me as to when this matter is being heard as I would like to be present.

Thank you for your time.

Sincerely,
